

Pastillo Seed Oils

Pastillo Seed Oils supplies a variety of cold pressed oils and other natural ingredients.

Analysis of the oils is available on request.

Passion Fruit Seed Oil

With a 20 year history of producing and processing passion fruit and 90 hectares under cultivation we have a steady stream of passion fruit seeds for oil pressing. The possibility to process passion fruit seeds into oil was investigated and the research showed promising uses for the oil in the cosmetic and in a wide range of cosmetic products.

Pastillo has the capacity to supply 5 to 6 tons of Passion Fruit Seed Oil per season on current production.

Kalahari Melon Seed Oil

With the experience Pastillo gained about the processing of Passion Fruit Seed Oil, there was no doubt that we could approach a new challenge – planting and pressing Kalahari Melon Seeds.

After 2 years' trials, we could finally cultivate 13 hectares of organic Kalahari Melon and wild harvest about 150 hectares of conventional Kalahari Melon.

Pastillo has the capacity to supply 3 to 4 tons of organic Kalahari Melon Seed Oil and 6 to 8 tons of conventional Kalahari Melon Seed Oil per season.

Desert Cucumber

We are extremely proud and excited to announce that Pastillo Seed Oils are the first to introduce the Desert Cucumber to the cosmetics industry.

A 2-year trial was done and this extraordinary cucumber seed oil showed a promising quantity of exceptional uses in the cosmetic field.

Pastillo Seed oils can deliver 1 to 1.2 tons of Desert Cucumber Seed oil per season.
